PROSPECTUS

Prosthetics & Orthotics (B.P.O.& M.P.O.)

Message

The Institute, established in 1955, is an apex Institute under the Ministry of Health and Family Welfare, Government of India. This unique Institute is globally recognised for its commitment to provide comprehensive medical rehabilitation services to Persons with Locomotor disability from urban and rural areas of the country as well as overseas.

Physical Medicine and Rehabilitation (PMR) is a conceptually and philosophically sound branch of Medical Science which is primarily aimed at restoring a person who has suffered physical impairment, functional limitation or participation restriction to his / her fullest functional potential depending on his / her desires and life plans. This necessitates the integrated functioning of many inter-related Allied Health specialties like Physiotherapy, Occupational Therapy, Prosthetics & Orthotics, Medical Social Work, Rehabilitation Nursing, Audiology and Speech Language Pathology, etc. under one roof of Rehabilitation.

There is immediate need for more number of trained and dedicated Allied Health professionals in our country and many new Rehabilitations centers are being established.

The students who are electing to pursue a career in these fields at the Institute will be provided high quality training programs to enable them to practice their discipline, managing rehabilitation issues of individuals of all ages, bearing in mind ethical considerations, evidence based guidelines and above all, being a valuable Rehabilitation Team Member.

I wish each and every one the very best and may you succeed in your pursuit for knowledge and accomplish a fulfilling career.

Dr. B. D. Athani
