The Commission, however, also notes that Physiotherapy is an important field and that there is a need to attract talented professionals to this critical healthcare segment. The entry level qualification for Physiotherapists has been revised by the government recently from the existing Diploma in Physiotherapy to Bachelor Degree in Physiotherapy with two years practical experience with a desirable qualification of Masters in Physiotherapy. In this backdrop, the Commission recommends that the administrative Ministry of Health and Family Welfare should undertake a holistic cadre restructuring of Physiotherapists.

As per recommendations of VIIth CPC, Physiotherapists have been placed at entry level in level-6 (Pre-revised PB-2-₹.9300-34800+₹.4200GP).
