   - The Contractor should remove the virus of CPU/ LAN Network system of the desktop computer /Laptop & Server etc as and  whenever required.

   - The Contractor/Vendor should provide all the assistance in up-gradation of hardware on actual cost basis during the period of C.M.C. as per the requirement of this office.

   - The C.M.C. service engineer should also provide assistance to users in installing the various packages and in taking proper backup copies of the same whenever recommended/ required.

4. The Contractor should carry out preventive maintenance service every 2 months of the Laptop/ Desktop Computers /Printer, peripherals etc which would include (i) Scanning of the Hard Disk Drive for bad sectors and if it is outdated/expired, the same has to be updated/installed with new one (ii) checking and cleaning the Printer/Scanner/keyboard/ mouse for proper operation.

5. The C.M.C. shall include services and repairs or replacement of defective parts, the Hardware maintenance support including operating system support, corrective and preventive maintenance.

6. All liabilities arising out of any fault/ replacement of any parts etc, including cost of new/original spares for proper functioning of all systems and sub system will be borne by the bidder firm, if not mentioned separately otherwise.

Contd. on page No.3…
7. Maintenance will include all Hardware parts of Laptops/ Desktop computers etc. Where the parts/components have failed/been damaged or gone out of order due to any reason, replacement of those parts/ components including hard disk, wires, cables, chords, cards, Mother Board, circuit board, all hardware parts etc. should be provided by the company within 24hrs of attending to the call, and setting right all computer systems in smooth working condition.

8. Spare parts supplied/replaced, by the bidder in lieu of irreparable components, defective parts should be brand new/ original and of same reputed manufacturer with same specification for giving satisfactory performance. Used/ repaired spare parts will not be accepted. In case of replacement, the defective spares covered under this contract shall remain the property of A.I. I.P.M.&R, Mumbai-34. If any parts gives repeated problem i.e. two repairs in a maximum period of one month time then it must be replaced immediately by the bidder with the original parts as applicable.

9. Response time should not be more than 24 hours from the time of reporting of fault by the User. In case of failure on the part of bidder to put the system in working condition, within 24 hrs. a penalty of Rs.500/- per day/per unit shall be imposed from the date of reporting of fault which will be deducted from the quarterly payment of the C.M.C. to the bidder. However, the penalty clause will not be applicable, if a stand-by system/computer peripheral is provided by the contractor firm.

10. Whenever during the period of the maintenance contract, the service of the company is found to be violating any of the conditions governing the Maintenance Contract; this office has the right to terminate the contract immediately without any compensation.

11. The Contractor shall not sub-contract/outsorce the hardware maintenance jobs to any other agency and the deputed manpower/Engineer must be on their pay roll. In case of firms who do not have their registered office in Mumbai, they should have at least an operational office at Mumbai. The contact address and the strength of the office should also be indicated.

12. The C.M.C. Service Provider should promptly attend to all complaints / problems reported and the same should be rectified to the user's satisfaction by the deployed Resident Engineer before the end of next working day from the time of booking of the complaint.

13. In case of hard disc failure, it would be the responsibility of the vendor to retrieve the data to the maximum extent possible, without any cost.

Contd. on page No.4…
14. If systems/ sub-systems are required to be taken out of office for repairing, a standby system/ sub-system of similar configuration and quality acceptable to this office should be provided on returnable basis. Contractor will be responsible for transportation and delivery of the system/ sub-system. Such hardware under repair, should be repaired to the satisfaction of the user / computer Cell and returned within a period of maximum fifteen days.

15. No transport charges will be provided by this Institute for taking out any unit for repair work in their workshop. Contractor will have to make their own arrangements for transportation and deliver the same from and to the Institute.

16. The Contractor should provide on his own the source of the manpower at the time of shifting, relocating, installation of the computer systems and its peripherals. No manpower will be provided by the Department.

17. The payment for last quarter would be made only on successfully handing over of the Desktop Computers, peripherals etc. in a condition and status not less than that in which they were taken over, to the next year’s contractor. However if the defects, shortcomings are noticed during next year’s Handing over/Taking over which are not set right by the successful bidder of this tender notice then the same will be done by the Department through other means and cost towards that would be deducted from the last quarter bill to be paid to them.

18. In case the service is not found satisfactory, this office will terminate the contract on its own and inform the contractor firm accordingly.
